

Income Tax First Day Assignment

THE FIRST CLASS IS THE MOST IMPORTANT CLASS OF THE ENTIRE SEMESTER. DON'T MISS IT. THE SECOND MOST IMPORTANT CLASS OF THE SEMESTER IS THE LAST CLASS. I WILL TAKE ATTENDANCE AT BOTH CLASSES.

You should buy or rent a hard copy of the text, FUNDAMENTALS OF FEDERAL INCOME TAXATION, Lind, Lathrope, and Field, 20th Edition. You may bring a hard copy of the text to the exam.

I have signed most of you up to my TWEN page for this course. Check to see if you are enrolled. If not, sign up for TWEN.

Download all hands posted on TWEN. As the week of January 6 progresses, there are likely to be more handouts posted. A partial syllabus is posted under the syllabus tab. All other handouts are posted under the course materials tab. READ carefully “Things You Should Know Income Taxation.” Bring all handouts to all classes.

Bring the text and Code/Regulations book to all classes including the first.

For the first class (Monday, January 13th) complete the first assignment in the Syllabus (it's posted on TWEN). For the second class, we will be into the second unit of the Syllabus and maybe a bit more.
